## XI PPLG-RPL 1

### Login dan Daftar:

A screenshot of a web browser displaying the 'Login User' page. The browser's address bar shows 'localhost/Native-Math\_Quiz\_Project/users/login.php'. The page has a solid red background. In the center, there is a white rounded rectangle containing the title 'Login User' in bold red text. Below the title are two input fields: 'Username' with a white border and 'Password' with a light blue border and masked characters. At the bottom of the form are two buttons: a red 'Login' button and a white 'Daftar' button with a red border.

## Bukti Masuk Ke Database:

The screenshot shows the phpMyAdmin interface with the 'math\_quiz' database selected. The 'leaderboard' table is displayed, showing columns: id, user\_id, username, level, score, and created\_at. The table contains 15 rows of data. The interface includes a sidebar with a tree view of databases and tables, and a top navigation bar with options like Browse, Structure, SQL, Search, Insert, Export, Import, Privileges, Operations, and Triggers.
